## MEDICINAL.

### "Ouch!"

That is about the mildest form of outcry a man makes when rheumatism suddenly twinges him. In its worst forms rheumatism is a living death. The victim, incapable of moving hand or foot, has no part in the great procession of life, on which he gazes with hopeless eyes. A great many sufferers from rheumatism, who had given up hope, have been cured by the use of Dr. Pierce's Golden Medical Discovery. A medicine which will cleanse the blood from uric acid and other poisons, will cure rheumatism. "Golden Medical Discovery" has no equal in its power to cleanse the blood and to enrich it. "Discovery" contains neither alcohol nor narcotics.

"I had been troubled with rheumatism for twelve years," writes Mr. R. J. McKnight, of Gaines, Williamsburg County, S. C. "so bad at times I could not leave my bed. I was badly crippled. Tried many doctors and two of them gave me up to die. None of them did me much good. The pains in my back, hips, and legs (and at times in my head) would nearly kill me. My appetite was very bad. I took five bottles of 'Golden Medical Discovery' and four vials of 'Pellets' and to-day my health is good after suffering twelve years with rheumatism."

Dr. Pierce's Medical Adviser, in paper binding, free on receipt of 21 one-cent stamps to pay expense of mailing only. Address Dr. R. V. Pierce, Buffalo, N. Y.

## POLITICAL.

There will be no further joint debates between Messrs. Montague and Swanson during the gubernatorial campaign.

Mr. Montague settled this yesterday. Just before leaving for Danville, where he spoke last night, he addressed an open letter to Mr. Swanson in answer to one from the latter printed in yesterday's papers. The letter says: "When your former letter came asking for joint discussions I intended to comply as far as possible with your request. The temper of your letter of the 23rd instant, however, convinces me that your spirit is such that joint discussions between us can but result in engendering bitter strife, injuring our party and clouding the campaign, which involves great issues and demands the calm and deliberate judgment of the people. I think, therefore, it will be better to continue, as heretofore, our separate course. As to your specific request for a joint discussion in Danville tonight, I beg to observe that the meeting is held under the auspices of the Montague Club, by which I am an invited speaker."

Mr. C. V. Meredith in Richmond yesterday replied to Mr. Swanson's letter charging him with falsehood and slander in his references to Swanson as accepting stolen goods in taking the votes of Shumakers' and Howard's Grove precincts in Henrico county. Mr. Meredith points out what he said was in view of the fact that Mr. Swanson had not declined to accept the fraudulent vote of Henrico, and would apply only in case he did not decline this vote.

Liter returns from Thursday's election of members of the constitutional convention are favorable to the democrats. Returns sufficiently complete to indicate the result have been received from every district in the State, except Henry, where, at last reports, H. G. Mullins (democrat) and A. L. Podgo (republican) are running very close together, with the prospect favorable to Mullins.

In the King William and Hanover district complete returns from the latter county give Judge Gregory a majority sufficiently large to overcome Mr. Treas's majority in King William. With incomplete returns from King William the indications are that Judge Gregory has won by fifty to sixty majority.

In the entire State the democrats have elected 83, the republicans 9, the independents 1, with one (Henry county) doubtful.

**PORTRAITS WANTED.**—The committee who had charge of the presentation of portraits of distinguished men of Fairfax on Monday is endeavoring to secure a portrait of George Johnston. With the exception of Washington and Mason, Johnston was considered the most eminent man in the colonial history of Fairfax county. He was a great lawyer of his day, and represented Fairfax in the house of burgesses in 1775. According to a statement of Mr. Johnston, Johnston drew the Liberty resolution on which Patrick Henry made his wonderful speech.

**A Very Remarkable Remedy.**  
"It is with a good deal of pleasure and satisfaction that I recommend Chamberlain's Colic, Cholera and Diarrhoea Remedy," says Druggist A. W. Sawtelle, of Hartford, Conn. "A lady customer, seeing the remedy exposed for sale on my show case, said to me: 'I really believe that medicine saved my life the past summer while at the shore,' and she became so enthusiastic over its merits that I at once made up my mind to recommend it in the future. Recently a gentleman came into my store so overcome with colic pains that he sank at once to the floor. I gave him a dose of this remedy which helped him. I repeated the dose and in fifteen minutes he left my store smilingly informing me that he felt as well as ever." Sold by Richard Gibson, druggist.

Dr. Bull's Baby Syrup for teething babies. Full-size bottle, 10 cents. Cures Wind Colic, Diarrhoea, Loss of Sleep, Griping Pains, Sour Stomach, Fever, Cholera Infantum. Dr. Bull's Baby Syrup also promotes the digestion and soothes the baby. Sold by Richard Gibson and all druggists.

Rev. John Reid, Jr., of Great Falls, Mont., can emphasize his statement. "It is a positive cure for catarrh if used as directed."—Rev. Francis W. Poole, Pastor Central Pres. Church, Helena, Mont.

AFTER USING Ely's Cream Balm six weeks I believe myself cured of catarrh. Joseph Stewart, Grand Ave., Buffalo, N. Y.

The Balm does not irritate or cause sneezing. Sold by druggists at 50c, or mailed by Ely Brothers, 56 Warren st., New York.
